Comments
The classes were very well-prepared, helpful, and the instructor was genuinely interested in helping.
The in-class explanations of the content was helpful
So so so helpful.
The lectures added on perfectly to the class lectures. This tutorial broke down the concepts and solidified them in my head. The practical application was also extremely helpful in preparing for exams.

Emily always came prepared and had handouts ready for us, which made a big difference in keeping the material organized. The tutorials were not only useful for going over the material, but also for asking questions about concepts we covered in class. Her explanations were clear, and the structure of the worksheets helped reinforce ideas from class. The tutorials and the material she handed out were an important part of my learning in this course.
The materials were fantastic. Emily communicated the material clearly and helped students gain a greater understanding.

Please identify what you perceive to be the greatest strengths of this instructor's teaching.

Comments
Shes great!
Very helpful and open to answering questions during class.
She is awesome and so sweet and communicates the information way clearer than the professor. She is an excellent teacher and I understood the class only from her.
She was very engaging and explained the material at a pace that made it very easy to understand. Her teaching will have a direct, positive impact on my final grade. She was also very kind, enthusiastic, and relatable to the students.
Clarity, availability, helpfulness
Emily's greatest strengths are her preparation, clarity, and enthusiasm for teaching. She always came in with organized handouts, which made the material much easier to follow, and she explained concepts in a clear way. She also always seemed happy and genuinely enthusiastic to teach, which made the sessions more engaging.
Clear communication. Patient. Helpful. Good at walking students through problems. Relateable.

Please identify areas where this instructor could improve his/her teaching.

Comments
I wish the reviews were a little harder. I wasn't engaged most of the classes because I knew what was going on already
Can be a bit hard to follow sometimes.
